Go Arrows!

FROM THE EDITOR

Congratulations Canberra Arrows!

Last Sunday at Wollongong you equalled your previous highest number of wins for a season (seven). Today the half-way mark will see a new record set. It must be tremendously exhilarating for Duncan Cole and Richard Wilson to arrive back in Canberra, fresh from a winning New Zealand World Cup Squad, in time to watch today's game and find their teammates so close to grabbing the top soccer position in Australia.

This week will be a hectic one with a mid-week match against Sydney Olympians followed by a clash with one of the League's toughest competitors, Adelaide Giants. There will certainly be a bitter taste in the mouths of many who visit Seiffert Oval next Wednesday night, for the second time this season, to watch the second round Cup replay. The referee's report of the initial match clearly supports the Arrows officials in attempting to have a decision reached that night by penalties, however the decision to have the replay was based on Law 7 of the game which states:

> "If a match has been stopped by the referee, before the completion of the time specified in the rules, for any reason stated in Law 5, it must be replayed in full unless the rules of the competition concerned provide for the result of the match at the time of such stoppage to stand".

I am sure that all who were at that exciting game will be back there to support the Arrows bringing with them one or two friends. Your voices will have nearly three days to recuperate before that game, so be sure to use them fully today to urge on your winning team in the LOTTO colours.

THE COACH COMMENTS

With the season still only half over the League title is a long way from being settled with many triumphs and disappointments still to come for all involved but nonetheless our game today with South Melbourne is something special for both teams since a victory for either side will put them clear at the top while a defeat makes life that much more difficult. This fixture is one we have been looking forward to for a long time and is made that much more interesting and exciting by our current League positions.

Although losing for the first time in the competition last week, that defeat could just take the pressure off Melbourne and with the Arrows still shaken by our unfortunate, and a trifle unlucky, defeat against Leichhardt, the scene is set for a terrific battle. This match is just what specators need with so much being at stake for both teams and is surely guaranteed to keep the stadium buzzing with excitement for 90 minutes. It will be good to meet once again my old teammates George Campbell and Jim Shiuch but I'm afraid the pleasantries will have to wait until 4.45.

Jim is a new face for our supporters but I'm certain they will be impressed by his terrific appetite for the game and his non-stop, bustling style of play. George, who has been out of the game for a lengthy spell due to injury, is the type of player the Australian game can ill afford to lose with his beautiful ball skills and accurate crossing.

Our victory last week had a special significance since it took our number of League wins to seven thus equalling the previous best win total by the Club and with 16 games still to play we look forward to at least doubling that total. The game also saw the return to scoring form of Walter Valeri — and being an out and out goal scorer, the sight of the ball hitting the net must have done wonders for his confidence. Even so it was a good team victory and with a little luck and more accurate shooting the second half should have been a formality with the Arrows at least 3 goals in front. Still, let's hope we're saving one or two of those goals for today's encounter.

It is with mixed feelings that I welcome Duncan and Richard back today. Mixed? Obviously I am delighted for the two players who will almost certainly have the opportunity to match their skills against the world's best in Spain but the failure of Rudi's team to make the finals may yet prove at the best, to be a severe setback to "the true" football in Australia. Still congratulations Duncan and Richard, and welcome home.

A Penalty.

Should a player commit an infringement within the "penalty-area"—a defined space extending from the goal line into the field of play—a penalty kick is awarded from the penalty mark 12 yards from mid-point of the goal line. The goal keeper must stand on the goal line without moving his feet until the ball is kicked.

A WET WEEKEND

PSL Team 'strapper' Derek Robinson was already down on the coast prior to last weekend's game and was driving from Batemans Bay to Wollongong to meet the team when, just as he was entering Wollongong, he heard the news on the radio that the game had been postponed, because of a water covered pitch. Consequently he turned around and headed back to the Bay. Half way back he then heard that the postponement decision had been reversed. Derek dutifully turned around once more and headed back to the 'Gong. He didn't mind though – we got 2 points!

TERRY'S A FRONT RUNNER

Current team Captain and defender Terry Byrne is proving to be one of Australia's best sweepers. Did you realise that as well as leading the Arrows Player of the Year competition he is also leading one of Australia's biggest nationwide competitions—***The Australian Soccer Weekly*** **-Marconi Travel** contest. He is currently favourite to lift the big prize of an ALLITALIA return ticket for two to Rome, and leads the competition by eight points. Not surprisingly he is also in second spot in ***Soccer Action's*** Player of the Year Award of a trip to Europe. In 1982 he might be doing a lot of travelling!

SUCCESS—IN THE BOOKS AS WELL AS THE FIELD

Did you read the ***Sunday Telegraph*** this week—Canberra Sports Section? If you did you would have read the good news about Canberra Arrows' financial situation. While day-to-day money supply continues to be tight, the long term debts are being reduced considerably, thus fulfilling one of the promises made by the 1981 Board of Directors. Actual figures are being mailed to members in a newsletter, but briefly from the end of September 1980 to April 1981 trade creditors debts have been reduced by $25,732.44. Sincere thanks goes to the COMMONWEALTH BANK for its support in clearing these debts. The number of creditors have been reduced from 114 to 73 and the total liabilities of the Club have been reduced by $48,000.00 between the end of August 1980 and the end of April 1981. In short the long term financial prognosis is healthy.

PLAYER OF THE YEAR AWARD

In the game against Leichhardt Strikers John O'Shea's non-stop efforts earned him three points and his game certainly didn't show any sign of suffering through the eye injury received a week earlier in Newcastle. John must have exceptional tissue regeneration.

Also making another PSL appearance, John Moutsopoulus showed that he has a great future in the game and was awarded 2 points. Steve Hoszowski, who must be getting back to near peak form, pulled off some fine saves and obviously deserved the one point.

In Wollongong the defenders shared the honours with three points going to Michael O'Shea and two to Terry Byrne. One soccer newspaper (***The Australian Soccer Weekly***) highly praised the Arrows' defence observing that in the second half "... Wollongong pushed forward only to find the Canberra defence were having a 'picnic'. Of course the lads up front were also toiling hard in the wet conditions and ever-running Tony Brennan collected the one point.

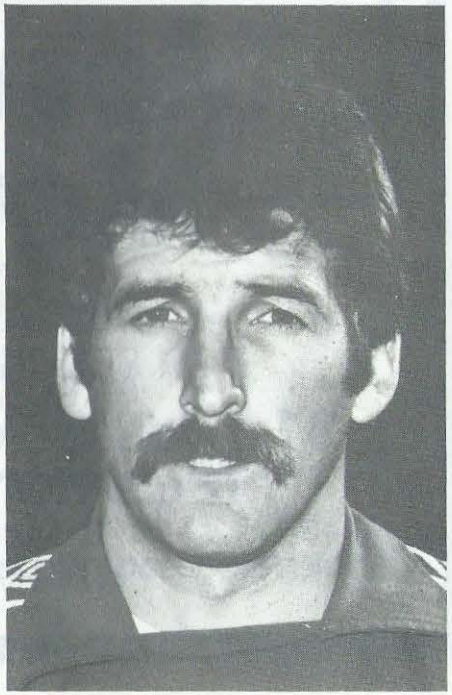
Progress scores with two mystery rounds (it is coincidental that both mystery rounds were against the Sydney Olympians) now stand at:

Terry Byrne	13 points
Tony Brennan	11 points
Michael O'Shea, John O'Shea	9 points
Ian Gibson, Isaac Farrell, Harry Williams	6 points
Walter Valeri	5 points
Steve Hoszowski	4 points
Richard Wilson, Duncan Cole, Don McLaren	3 points
John Moutsopoulos	2 points
Ian Purdie	1 point

The Player of the Year will receive a new model front-wheel drive FORD LASER provided by **BRIAN POLLOCK FORD.**

The runner-up to the Player of the Year will win A Return Trip for Two to New Zealand provided by **AIR NEW ZEALAND** plus one week's accommodation provided by **VACATION HOTELS.**

PLAYER'S PROFILE:
STEVE HOSZOWSKI



Steve Hoszowski joined Canberra Arrows in December 1978 and distinguished himself throughout 1979. In 1980 he played most of the season 'on loan' to Arncliffe Scots. This season he has been No. 1 since Round 9 of the competition, again demonstrating how skilfull he is in goal.-His best performance this year was undoubtedly in the match against Blacktown Demons, when Rale Rasic unhesitatingly awarded him three points as 'man of the match'. After being on the bench for the first part of the season Steve is obviously keen to stay on the pitch and judging by his current efforts, the Arrows' N.Z. International Richard Wilson will have an uphill battle to dislodge him.

Leichhardt's versatile Peter Wilson doubles as goalkeeper on their game at Bruce 17/5/81.

"IN THE NET . . ."

Leichhardt goalkeeper Bobby Parkes and their 'substitute' 'keeper Peter Wilson, pictured above, ready to save on the line, did their bit in denying the Arrows an increase in their goal tally. While Walter Valeri missed his first spot kick in four years he made up for this momentary lapse by scoring the winner against Wollongong last Sunday in the 78th minute.

In the second round cup tie against Olympians the goals scored by Robert O'Shea, Ian Gibson and Tony Brennan and then later as penalties by Michael O'Shea, Terry Byrne, Don McLaren and Ian Purdie have not been counted as the result of that match was voided by the ASF's decision to replay the game. No doubt the Arrows will be out to avenge this injustice when they next meet the Olympians.
